## **Issue 08/2024**

Brrrr ... well that's August gone and the National Finals have finished  
 Congratulations to all Bowls Surrey members who attended whether as players,  
 supporters, Presidents, volunteers, umpires or markers. A lot of clubs still have their  
 finals days coming up. So I hope the end of your season goes well for you all.

Charlotte BS Communications Officer

With the end of the season approaching fast it means we now have the chance to discuss what worked well and what things could do with tweaking. With that in mind we have the Area Meetings coming up. These meetings are your chance to chat to the Area Committee who can then pass on your thoughts to the Management Committee. Anyone can attend but each club should have at least one attendee.
